Our Father, in heaven, almighty, all holy
Turn our hearts to Thee

Lord, I am a true believer
Be my rock and my redeemer
Turn our hearts to Thee

Lord Jesus, our master, all knowing, forgive us
Set our spirits free

Thou art mighty, Thou art holy
We are humble, we are lowly
Set our spirits free

Rain thy blessings down upon us
Shine the light of heaven on our
Mortal souls, mortal souls

Our Father, in heaven, almighty, all holy
Turn our hearts to Thee

Lord, I am a true believer
Be my rock and my redeemer
Turn our hearts to Thee
Light the darkness deep within us
Shine the light of heaven on our
Mortal souls, mortal souls
Lord we pray to Thee set our spirits free

Our Father, in heaven, almighty, all holy
Turn our hearts to Thee

Blessed virgin, holy mother
Teach us to love one another
Turn our hearts to Thee

Lord Jesus, our master, all knowing, forgive us
Set our spirits free

We are humble we are lowly
Pilgrims on the path of glory

Set our spirits free

Lead us not into temptation
Grant the peace of heaven to our
Mortal souls, mortal souls

Lord Jesus, our master, all knowing, forgive us
Set out spirits free

Thou art mighty, Thou art holy
We are humble, we are lowly
Set out spirits free

We are children, you our Father
Let thy will be done to save our
Mortal souls, mortal souls
(our Father in heaven, our Father in heaven)
That our eyes may see
(The way, the truth, the light)
In Thee.
