Do you know who I am?
Do you know where you are?
Are you where you want to
Be?

Do you see what you like?
Do you like what you see?
Do you think a
Need in you
Can fulfill a need in me?

You're on your own, you're on your
Own
In a no man's land
In a danger zone
You're on your own, you're on your
Own
And you can't turn back
And you can't find your way home

Do you know
Who you are?
Do you know what you want?
Can you see me as I am?

Do you
Think you're a lion
And I'm a lamb?
That you came in here a boy
And you're
Going out a man?

You're on your own, you're on your own
And there's no way
Out
Of the danger zone
You're on your own, you're on your own
And your only
Friend
Is a heart of stone

And now you are alone my friend
And I must
Set you free
And you must face the world outside
And find your destiny...
You're on your own, you're on your own
In a no man's land
In a danger zone You're on your own, you're on your
own
And your only friend has a heart of stone
You're on your own, you're on your own
And there's no way out
Of the
Danger zone
You're on your own, you're on your own
Just a lonely child
And you
Can't find your way home
