[Verse 1]

My baby mamas said I wasn't shit, and at first I used
to believe 'em

Now they on my dick, 'cause a young nigga out here
eatin'

Every time I hop in my whip, I light one of my pre-rolls
That gettin' gwap, I'm Gucci, without the ice cream
cone

Sticking to that G-Code, I take a shot then reload
I only fuck with my street folk 'cause these rap niggas
too emo

Forever on my grind, yeah, my five kids, they need
clothes

Pump bucking at fake fucks 'cause like pimps they
need holes

Blaow! Bloaw! Oh my lord - my hoe and my chain
gold

Life be my bitch and that hoe move when I say so
Good in my 'hood, yeah, I play the block like Lego
Real goons on my payroll - I save money, you save
hoes

Mountain high, I Range Rove, to the top on you niggas
If this was '09 I would've been socking on niggas
Fuck that, rather profit on niggas - toe tag every beat
Louis give me

Oh yeah I'm a problem, oh mama, no condoms
We're yelling out "fuck all you pussies"
