Turn up, money burn up
I do it daily, Adidas and a beeper
I'm from 80's, you slap my mama before I let you
march play me
Your boyfriend mad cause he fucking hate me
For real though, yeah, for real though

Racks fall rap, yeah, I got that real dough
Weeds keep fire, so I smoke the kill though
Keep it 100, got the hundred bill flow
Yeah, it's me though, Problem, shot, she pick a name
Girlfriend straight but I have her on the rainbow
By the time I'm done with her, ain't never have to fly
Put his tongue in her and twist it

Hell yeah, I got all this girls
But my main objective is get dough
100 every time I'm out, yeah, homie, I show up

Do it, do it, do it
I really
Do it, do it, do it
I really
Do it, do it, do it
I really
Do it, do it, do it

Pay the cost to be the boss, now I need the change
Lying in the car pool, yelling out D lane
Don't know about y'all but I want the money and the
fame
And the chain, and the hoes, and the cars, and the
clothes
I'm a real one so I say it, in a cab, I don't play it
Like the angel do it in the league
If you ain't talking about money, let me intervene
Turn y'all on just to gain
They want me to hurt them like they freeze from the
pain
Girl ganged out, I don't creep with you lames
My shit banged out, in the streets, fucking thangs

Hell yeah, I got all this girls
But my main objective is get dough
100 every time I'm out, yeah homie, I show up

Do it, do it, do it
I really
Do it, do it, do it
I really
Do it, do it, do it
I really
Do it, do it, do it

Hold that like Batman, man, I'm turned thief
Up in here
Don't mind me, I'm just a drunk, turnt up
Tryina get fucked up, bottle of
I'm rich and I ain't gonna lie, just trust me
And you ain't gotta ask your girl how to fuck me
See, I'm ready for it, and I know you are, too
Full with that brain, yeah, I know it all, too
Put it in your mouth like where we go it all full
And when you done do the same to my crew
I don't mind, yeah, I'm with that thumb shit
Getting high, showed off in the hood, off some young
shit
Off a show, I'm still in the streets like a bum
Never, ever catch me as no bum
But I got change

Hell yeah, I got all this girls
But my main objective is get dough
100 every time I'm out, yeah homie, I show up

Do it, do it, do it
I really
Do it, do it, do it
I really
Do it, do it, do it
I really
Do it, do it, do it
