Oh Shit  
[laughing]  
Fucked up Nigga  
Whoa, she walked away  
Aye, Aye Nigga

[Chorus:]  
Oh my lord my moneys gone  
I've done drunk to much Patron  
I don't think I'll make it home  
Bartender...  
I just smoked a eighth of weed and I popped the thizz  
I drank all the drank man you know what it is  
I'm fucked up (I'm fucked up) [x3]  
I'm fucked up & I don't give a fuck

And I won't ever ever will G  
I'm gonna stay get loaded til it kills me  
Real alcoholics in the weed heads feel me  
Get drunker than a skunk, stay higher than the ceiling  
I ain't tryin to be disrespectful but I just wanna fuck, no  
nothing extra  
Cause girl I'm the trap man salt and pepper  
You never had sex with a star I bet ya  
Shit if you come back to the car I'll let ya  
Your good on top of beef like ketchup  
Your boy just stepped up  
Drunk that, smoked that the boy here effed up

[Chorus]

I'm out my mind & I know I'm the shit  
In the middle of the dance floor holding my dick  
And I ain't trippin, ain't lookin for drama  
Tryin to find a new babys mama  
And if I can't find that I'll settle for a rat

Hell yeah that's what I be 'bout  
Wanna find a rat homie pull that cheese out, and then  
they'll ease out  
But boy I'm through, Eyes beat of red, the drinks see

out blue  
Adios mothafuckers which means I'm gone  
Caome and toast mothafuckers like I just came home  
Or I just got on or whatever the case is  
Nigga order a case or brought whatever they waste I  
might level the place  
Nope that there be a hell of a case  
And I ain't tryin a do that I'm to busy stumblin'  
Mouth all dry & my stomach keep grumblin'

[Chorus]
