Problem
"Knock It Out"

I'm on some extra shit, gold chain
Got another next to it
It's the real deal, nah it ain't to test you bitch
Shit I'm thrillers against
Spend it all on kicks
I'm from richie rich city girl respect that shit
Right across that bridge, from San Francis
Young suzy lives, with his heart break kids
And we do just what we wanna
Drinking, smoking marijuana
It ain't racks, I won't show up
Nigga trip then it's over
Got your girl, bending over
That's my bottle send it over
Got these models in a come
Cause we knock shit out
You ain't from the block my nigga
Knock that shit out
I got all my homies with me, all my homies with me
Word from the beginning, I'll be real until they get me
Quit playing it's the gang in your ear
Nigga stay in your lane cause aim at careers, ah

Quit playing nigga, knock that shit out, knock that shit
out
Knock, knock, knock that shit out
Quit playing nigga, knock that shit out, knock that shit
out
Knock, knock, knock that shit out
I'm so tired of these broke ass niggas
Talking bout they spiting that great,
Knock that shit out
I'm so tired of these tired ass bitches
Stop talking bitch...
Knock that shit out

Sail and I smoke marijuana
Got my track shoes laced yeah
I'm running California
Only god can judge
So motherfucking honor,

What I'm bout I'm yelling dough
Call me... I probably like...
In a coma I'ma put your bitch
All you niggas pussies
So I get why you be on my dick
... see your fam watching like it's movie night
Paper full of gasoline, all up in these magazines
Loaded like a magazine
Slow it up, got these niggas holding up
Cops shaking they head
Like they just saying know us all
I don't know you not, my credit's fine
My babies mama crush grapes, yeah they wine
Cause they know I'm getting money
So they keep calling
I ain't got no other choice but to keep balling

Quit playing nigga, knock that shit out, knock that shit
out
Knock, knock, knock that shit out
Quit playing nigga, knock that shit out, knock that shit
out
Knock, knock, knock that shit out
I'm so tired of these broke ass niggas
Talking bout they spiting that great,
Knock that shit out
I'm so tired of these tired ass bitches
Stop talking bitch...
Knock that shit out
