You know Iâ'll be on higher than the P john,
So stack back, I might you need a land for three arm

Come a little closer, let me get a little taste,
Yeah itâ's really working I feel in my face,

Drinking liquor straight I don't need to chase
I wanna f*ck again, we just leave the place,
No matter what time it is, one day I'm die so don't
try to leave,
In this very moment, this very moment,
Life is shorter then get us calling
So when I swear I do it big,
Like Big I'm on my DIP, she on my TIP all in my...
Want me to be in US, I'm on my... it's for real
Uhh, I think I like that
Couple of the homies wanna meet her I'll be right
there,
... will be gone, and how you in the gone,
She go blow away she die to fuck the soul
So what's up?

Hey molly, where you at bitch?
Hey molly, where you at bitch?
I'm right here daddy

'Cause molly maintain problem gun playin
Where that bitch that do that molly and that bitch to roll

Don't get no molly in my blunt but get this molly on

Break your eyes get white, and her tongue gt numb uh
