if i seem kind of blue to you,  
it's just coz i'm not getting through to you,  
and i'll do anything you want me to,  
but i can't do right for doing wrong,

we could get to where we want to be,  
with just a little faith and honesty,  
instead of drifting where we don't belong,  
and i can't do right for doing wrong  
i can't do right for doing wrong,

i say too little, or i say too much,  
i see no recognition in your eyes,  
i try to fix it with a tender touch,  
but i see too late,  
the chance has passed me by

i told you what you mean to me,  
i've even told you what you've been to me,  
i wish we could be where we both belong,  
but i can't do right for doing wrong,

if i seem kind of blue to you,  
it's just coz i'm not getting through to you,  
and i'll do anything you want me to,  
but i can't do right for doing wrong,  
i can't do right for doing wrong,  
i can't do right for doing wrong.
