I never knew our love was in doubt,
but if you're not there,
how can we work it out,
is that all your going to take with you,
what about my heart you broke in two,

so before you do your walking,
let my heart do the talking,
listen to it please,
words always fail me,
at times like these

i know it's too late to chage your mind,
there's nothing to say,
and no more time,
but let me steal you away with me,
maybe remind you how it used to be,

so before you do your walking,
let my heart do the talking,
listen to it please,
words always fail me,
at times like these

i can't say what i want to say,
the way i wanted to,
and nothings gonna bring you back,
what more can i do,
than stay here sitting alone without you....

so before you do your walking,
let my heart do the talking,
listen to it please,
words always fail me,
at times like these
words always fail me,
at times like these
