Walking out on me must be the way you show me how it
feels to be her
I realize the fault is mine, I'm getting everything that I
deserve

It's over and older the tears seem much colder
Sunshiny days seem to be so blue
It's over and older the tears seem much colder

[Wish I Still Had You Lyrics On]

Each passing day I wish I still had you

My troubles would be all over now if I could only get you
off my mind
And I would give a fortune now if I could only hold you
one more time

It's over and older the tears seem much colder
Sunshiny days seem to be so blue
It's over and older the tears seem much colder
Each passing day I wish I still had you
