There's a spark of magic in your eyes
And it light so clear each time you smile
Never thought that fairy tales came true
But they come, too, when I'm near you
You're a genie in disguise
All of wonders and surprise - and
Betcha by Golly Wow
You're the one that I've been waiting for forever
And ever will my love for you be growing strong
- be growing strong

If I could I'll catch a falling star
And shine on you so I'll know where you are
All the rainbows in your fav'rite shades
To show I love you - thinking of you
Write your name across the sky
Anything you ax I'll try - for
Betcha by Golly Wow
You're the one that I've been waiting for forever
And ever will my love for you be growing strong
- be growing strong

All of wonders and surprise -and
Betcha by Golly Wow
