While the choir sings, Ave Maria  
I was singing with all my heart  
And I sent a special prayer, up to heaven  
That you'll return to me before I fall apart

While the choir sings, hallelujah  
I was singing with all my heart  
Darling please come back never leave again  
And this will be (this will be) the answer to my prayer

And I'll wait, here for the answer  
That you'll come back, come back I pray  
Oh if you stayed, away another hour  
I don't think I could last for love

While the choir sings, hallelujah  
I was singing with all my heart  
Darling please, come back never leave me again  
And this will be (this will be) the answer to my prayer
