[Allure]

All alone on a Sunday morning
Outside I see the rain is falling (whoa)
Inside I'm slowly dying
But the rain will hide my crying, crying, crying
And you
Don't you know my tears will burn the pillow
Set this place on fire
'Cause I'm tired of your lie
All I needed was a simple "Hello"
But the traffic was so noisy that you could not hear me
cry
(I) I gave you my love in vain
My body never knew such pleasure,
My heart never knew such pain
(And you) You leave me so confused
Now I'm all cried out, over you.

[112]

(OOooh) Cryin' over you, yeah
Never wanted to see things your way,
Had to go astray
For why was I such a fool, baby(Why was I such a fool)
Now I see that the grass is greener
Is it too late for me to find my way home,
How could I be so wrong, yeah

[Allure]

Leaving me all alone
Don't you know my tears will cause an inferno
Romance up in flames,
Why should I take the blame?
You were the one who left me neglected (I'm so sorry
baby)
Apology not accepted
Add me to the broken hearts you've collected
(I) I gave you all of me (I gave you all of me)
How was I to know,
You would weaken so easily
(I) I don't know what to do (I don't know what to do)
Now I'm all cried out (I'm all cried out)

Over you (oohh)

(I) I gave you my love in vain
My body never knew such pleasure,
My heart never knew such pain
And you

[112]
You left me so confused

[Allure]
Now I'm all cried out (I'm all cried out)
Now I'm all cried out (All cried out. I'm so sorry, baby)
Over you
(I'm so sorry.
Please forgive me.)
