Ohhhhh.....

Time can not tell how i wait hopelessly for ur return  
Oh but to think you are cold wondering where are my  
arms to keep you warm?  
Are you lost or did you leave me hear alone  
Won't you please come home

And I can not live my life without you  
I will not rest but go on to find you  
My world seems to end in a glance with out you  
I can not bare to live with out you

Where are you now  
Are you hurting?  
Are you in someone eleses arms  
Cryin out for the one  
Who carelessly lost you in a storm  
Oh my love please don't doubt  
For you i would lay down my life  
For the chance to be with you again

BRIDGE:

So sorry for  
Whatever i done  
To make you go so far away (so far away)  
I wait for the day (for the day)  
That you will find your way back to me

AD LIB:

oooo..to live without you...i can not bare...my life, my  
love, my life,  
my love  
I..can't live with out u..oooo.....I can't live with out you..i  
need  
you...cause the woman in me needed you babe
