Enjoy Yourself

Ooh

Ooh...ooh...

Ooh...ooh...ooh...ooh...ooh...ooh...ooh...

Yeah, yeah, yeah, yeah, yeah

You know I'm goin' out tonight

And I'm lookin' right

Just like I knew I would

And there's a party goin' on

And I'm pretty sure

I'm about to get my freak on

My hair and my nails is done

Now I wanna go out and have some fun

Come here, baby, won't you take a ride with me

(Won't you take a ride with me)

We can cruise around in my Escalade

Pick up my homegirls along the way

I'm not standin' on no line

('Cause I'm just too damn fine so)

Don't fight, be free (Be free)

Enjoy yourself with me

Hold tight (Hold tight), it's all good (It's all good)

But don't wait up for me (Baby, just enjoy yourself

with me)

Cristol's flowin' everywhere

Hands up in the air

'Cause the deejay's right on time

I know you feel my body move

And the way I groove

'Cause tonight the world is mine

You know you kinda look good to me (Good to me)

Now take a shot of some Hennessy (Hennessy)

And conversate in the back until the till the break of dawn

But I know what you wanna do (What you wanna do)

So come let's give a sign, I wanna do it too (I wanna
do it too)
So I wanna see what you got for me
('Cause tonight there is no stoppin' me)

Don't fight, be free (Be free)
Enjoy yourself with me (Enjoy yourself with me)
Hold tight, it's all good (It's all good)
But don't (Ho, oh) wait up for me (Don't you wait up
for me)

Don't fight (Don't fight), be free (Be free)
Enjoy yourself with me (Enjoy yourself with me)
Hold tight (Hold tight), it's all good (It's all good)
But don't (Don't) wait up for me (Baby, just enjoy
yourself with me)

Yeah, yeah
Come on
Baby, yeah

Don't fight, be free
Enjoy yourself with me
Hold tight, it's all good, good, good
But don't wait up for me, yeah...hey...

It's all good
Better enjoy yourself
Wanna get to know yourself
Gonna be by yourself with me
With me, with me, yeah, yeah

We could sip ??? and Hennessy
Baby, you can be with me
Enjoy yourself with me
Enjoy yourself with me

Baby, We could sip ??? and Hennessy
Oh, baby, baby, baby, baby
