Yeah, The Firm  
Track Masters, Escobar, Allure  
Keep it raw

Hey yo, The Bridge, keep rockin'  
We comin' through, bottles poppin'  
Allure, when your album droppin'  
The place is packed

Many faces, there's some I know  
And some know me from buying cases  
Cash stacks, shorties peepin'  
Is she Puerto Rican or half black

Puff, puff give, I need to live  
Please pass that so I can zone  
Maybe shoot a jewel in baby girl dome  
It's a crazy world, lemme drive you home, let's go

By the way, the name's Esco  
The platinum range make your man know  
We wet those, if he front I got the tech close  
To you much respect goes for going through  
Had to put it on you, Allure you  
You gotta leave, I'll call you, it's been real

Boy, I can't understand it  
See I never really felt like I do  
When I'm around you, baby  
And I just can't explain it  
But I'm feeling so high  
And I just can't deny it's on you

Tell me you want my love  
Baby, please don't deny  
What you're feelin' inside  
Say you've been thinkin' of  
Holdin' me, touchin' me, feelin' my every need

Head over heels, it seems so real  
I feel like I'm falling in love  
I'm lost inside of my desire

Oh baby, can't you see  
I'm falling for ya head over heels

Baby, baby I'm longin'  
Just to have you to myself  
I don't want nobody else, no  
Baby, my body's calling  
Won't you come, get my love  
Because I really need you so much

Tell me you want my love  
Baby, please don't deny  
What you're feelin' inside  
Say you've been thinkin' of  
Holdin' me, touchin' me, feelin' my every need

So much in common, I know you like the way I act  
You been around real cats, all your life, since way back  
You still got it 'cuz you was turned out once  
Guess you learned, ain't no future with them burnt out  
stunts

Left the hood to get your own thing, we're home team  
Pushing through, watch ya chrome gleam  
Yeah aight, you probably heard that my pipe gained  
tight  
Rocking V V S stones

Powder blue whips with egg headlights  
Center weed gettin' all in your weave, I put out the trees  
And crack the moon roof only for you to breathe  
You get a extra set of keys, I tell the world while I'm out  
on tour  
Keep your hands off my girl's Allure

Baby, can't you see  
How you make me feel  
Oh baby, can't you see  
I'm falling for you head over heels

It seems so real  
I feel like I'm falling in love  
I'm lost inside of my desire  
Oh baby, can't you see  
I'm falling for you head over heels

It seems so real  
I feel like I'm falling in love  
I'm lost inside of my desire  
Oh baby, can't you see  
I'm falling for you head over heels

It seems so real  
I feel like I'm falling in love  
I'm lost inside of my desire  
Oh baby, can't you see  
I'm falling for you head over heels
