We're going out on a limb now
Our people are about to disown us now

Incrementally change mentality
Speak of values
Miss the irony
What you once shunned
Is now what you seek
Three hundred sixty
And never missed a beat

Success come knockin'
And so we're dabblin'
See the circles that we travel in
What you once shunned
Is now what you seek
Three hundred sixty
And never missed a beat

Access babylon
Access babylon

Yeah, but not quite
Your cast goes left but not allowed right
Caught in a force field limbo
Caught in mid strata
And where's the funds at
So called friends scatter

Your people call my people
Hmm What's This? I'm skeptical
Success come knockin'
And we're dabblin'
See the circles that we travel in

Is now what you seek
