Red war will fall on my enemies
Babylon is full of hypocrisy
You feel the hate is for real
'Cause red war will fall on my enemies

Red war
Red war
Red war
Red war

Watch ya back
Watch ya back
Watch ya back

Red war
Red war

The sign of the cross, I carry into war
The Kyber Pass where no one rests
Hold my head up, the Judah Lion
Twelve tribes in the mountains of Zion
Babylon fall and red war will come
Babylon fall

Red war
Red war

Watch ya back
Watch ya back
Watch ya back

Red war will fall on my enemies
Red war will fall on my enemies
Red war will fall on my enemies
Red war will fall on my enemies
