You bring out the best in me Which is nothing less than
Your holiness Manifest Your power in me And Ill be a
vessel of Your glory I lay me down, let it rise up in my
soul Im falling down, so You pick me up again God tear
it down, the walls That the enemy built around me Send
Your spirit down Where the spirit is, there is freedom
Oh God, without You I can do nothing By God, I can do
all things It shouldve been my hands It shouldve been
my cross It shouldve been my nails That pierced Your
skin So I deny myself And I take up my cross To follow
you Oh, yeah Its not about me For by grace, I was
saved By God And I am not mine I was bought with a
price By God And I will live by Every word from His
mouth By God He wont back down Push and you get
pushed back By God I open up my mouth Fill it up with
the word of God When I reach out my hand Lord may it
have your healing Lord, bring it down Release your
power once again Anoint our hands to do the works
That you once did Lord, our desire is for The spiritual
gifts of God Let the children prophesy Your wonderful
works, Lord Oh God, without You I can do nothing By
God, I can do all things It shouldve been my hands It
shouldve been my cross It shouldve been my nails That
pierced Your skin So I deny myself And I take up my
cross To follow you Oh, yeah Its not about me For by
grace, I was saved By God And I am not mine I was
bought with a price By God And I will live by Every word
from His mouth By God He wont back down Push and
you get pushed back By
