Come on all the ladies, get down tonight.
Know a little agent who has set her sight.
Come on all the ladies, get down tonight.
Give it up! Give it up!

It took a few months to infiltrate,
In just one night he bit the bait.
It didn't seem Lai would give it up.
Even when Shelby spiked his cup.

He ran a tight ship and closed his mouth,
Every time the ladies were in the house.
Everything she did was done in vain.
Couldn't get a wire tap in the drain.

Give it up! Give it up!

Come on all the ladies, get down tonight.
Know a little agent who has set her sight.
Come on all the ladies, get down tonight.
Give it up! Give it up!

Little Shelby Rose, this is how it goes,
And you know what it takes.
Careful what you say, careful what you do,
Can't afford a mistake.

Come on all the ladies, get down tonight.
Know a little agent who has set her sight.

Little does he know she has him read.
In a couple minutes, they're off to bed.
Takes another name and sculpts her clay,
And not before long she's got her prey.

Come on all the ladies, get down tonight.
Know a little agent who has set her sight. Give it up!
Give it up!
