Corrinado slipped the chopping block  
The onlookers in fear and shock  
He bolted swiftly through the crowd  
The women yelled and screamed aloud

Manilla's words rang through the air  
"Kill that man or all Beware!"  
Corrinado tookoff all for bust  
Gone behind a cloud of dust

Passed on tragedy Corrinado moves with ease  
Eluding all authority with his own agility  
Ducks down an alley to the center square bazaar  
Soldiers yell, soldiers scream, don't let him get too far.

Corrinado hides down an alley  
As Manilla's troops begin to rally  
He lays behind the street snake charmer  
and slips out of his prison pajamas

The Matador, the bull can run  
Corrinado sidestepped everyone  
Takes off towards the end of town  
Drawing troops from all around

He knows he's got but one way out  
His only route without a doubt  
be fastest to the mighty cliffs  
and jump for his own benefit

Passed on tragedy Corrinado moves with ease  
Eluding all authority with his own agility  
Ducks down an alley to the center square bazaar  
Soldiers yell, soldiers scream, don't let him get too far.

Carooning down the mountain top  
A bouncing rock no will can stop  
Their chasing our strong hero down  
Who dodges trees with swift bounds  
He spins the air like a carousel  
While dodging shots adeptly till

His steps no longer make a sound  
His feet are well  
above the ground
