I was saying, let's go all for broke  
You were saying, "In due time."  
We can wing in our winter coats  
I just hope you'll be mine.

It was love, you said so yourself  
You kissed me how divine  
So why are we leaving all by ourselves  
Baby it'd be fine if you want to stay

Baby bring it on (x 5)

I was off could not control myself  
And you still knew I'd be fine  
But now I wait behind your velvet rope  
Baby it's me, don't deny

Late at night, I call you on the phone  
To be next to you, any which way  
Now you're gone leaving me with all these questions  
There's just one thing I want to say

Baby bring it on (x 5)  
(solo)  
Baby bring it on (x 3)

I was saying, let's go all for broke  
You were saying, "In due time."  
We can wing in our winter coats  
I just hope you'll be mine.
