Well I'm lost without I-Man
Without my gun in my hand
My ladybug don't understand how I've tried

But I've got time on my side
And now my heart, all filled with pride
Many days to realize my final plan

All I need my arms to provide
Make my cocoon to bask inside
My ladybug is on the rise with another man

So I got my gun in my hand
And I feel its time to take my stand
All love aside, I'm denied a second time

Over it goes, I'm breakin through
I got my gun in my hand
I-Man's out and on the loose
Now that it's time to take my stand

Now I'm only doing what I can
When everyday I kiss her hand
My ladybug sent her new man to his demise

Now it's aglow inside her eyes
Like a summer sunset on the tides
My ladybug, believes inside, she's got her man

Over it goes, I'm breakin through
I got my gun in my hand
I-Man's out and on the loose
Now that it's time to take my stand
