As light as the clouds, as bright as the sun.
As big as the crowds, and two times the fun.
As dark as the night, as tall as a tree.
As high as a kite, as blue as the sea.

As green as the grass, as fresh as the air.
As thin as the pass, as free as my care.
As long as the trip, as white as the sand.
As soft as your lips, as pure as the land...

Gonna sink your feet in Kamaole Sands.
Walk across the street, and take me by the hand.
Moving to the beat, that's coming from the band.
Basking in the heat of Kamaole's land.

As cold as the freeze, as deep as the mud.
As mild as a breeze, a flower in bud.
As wet as the rain, you swim like a fish.
As hard as the pain, you get what you wish.

As strong as an ox, as calm as a storm.
As quick as a fox, as strange as the norm.
As cool as a cat, who walks down the way.
As blind as a bat, who can see in the day.

Gonna sink your feet in Kamaole Sands.
Walk across the street, and take me by the hand.
Moving to the beat, that's coming from the band.
Basking in the heat of Kamaole's land.
