Hey little baby, come back again.  
Hey little baby, I miss your spin.  
Get it moving, it'll be just fine.  
But I don't sleep when you're not mine.

Hey little baby, just let it slide.  
Let your little body roll side to side.  
Get it moving, right in time.  
Let's see Little Shimmy in a Conga Line.

Hey little baby, now the morning's here.  
Gonna open my eyes, don't disappear.  
Another evening, vanished in your arms.  
And you wonder why I sleep through my alarm.

Hey little baby, let's groove again.  
'Cause watching you is making my head swim.  
I'll dance to prove it, and I'm just fine.  
Let's see Little Shimmy in a Conga Line.
