When Patrick took his dive
No time to stay alive
He rolled on Dexter's back
His shell seemed not to crack crack

Now he's headed for the door
Right past my little sycamore
He's stuck on my linai
Why did Dexter have to die

Patrick's trippin on the shelf
Lookin up past on himself
What is Dexter thinkin about
And Patrick can't find no way out

Now Patrick's still alive
He sold his soul to save his hide
and when the time rolled back
He wished his shell went crack crack

Now he's headed for the door
Right past my little sycamore
He's stuck on askin why
Why did Dexter have to die

Patrick's trippin on the shelf
Lookin on past on himself
What is Dexter thinkin about
And Patrick can't find no way out

Sherr wants her lolly lolly Sherr wants her lollypop
