Radiator!
Why you make me feel so crazy?

Radiator!
Why you make me feel lazy?

Radiator!
Why you make me feel sad?

Radiator!
Gonna drive you mad.
Gonna drive you mad.

Radiator!
Why you make me feel insane?

Radiator!
While you sit and fry your brain.

Radiator!
Why you giving off that heat?

Radiator!
And keep me warm and off my feet.

As the heat goes out and the pipes go down,
You must still decide who's your educator.
And as time goes by and the hits go round,
You must free your mind on the radiator.
