Save the robots
Where they fall
Another one up
Behind them all

Freeze the robot
Crystallize
??
Are in disguise

??
Counteract
Commence the countdown
And turn it back

??
??
??
??

They all make me daydream
Take my piece and..
They all ? save me
Take my piece and..
They all make me daydream
Take my piece and..
They all ? save me
Take my piece and
Go! Go! Go! Go!

Behind them all.
Behind them all.
Behind them all.

Save the robots
From themselves
Connect their arms
To yourself

??
Playing games

Soldered wires
To your brain

? haircut

??

??

??

??

??

??

It's summer, summer time.

Summer, summer time.

Summer, summer time.

They all make me daydream

Take my piece and..

They all ? save me

Take my piece and..

They all make me daydream

Take my piece and..

They all ? save me Take my piece and Go! Go! Go! Go!

Behind them all.
