Now i'm at ease deflating on a whim,
and I found peace in the waiting room,

And in my sleep I heard a maiden call.
so tell me please where you wanna be now.

All while your dreams are fading like the sea,
now I'm at ease deflating on a whim,
and I found peace on the waiting room floor.

Now I'm at ease deflating on a whim,
And i found peace on the waiting room floor,
and In my sleep, I heard a mating bird call.

All while your dreams are fading like the sea,
and in my sleep I heard a mating bird call,
So tell me please where you wanna be,
Now I found peace on the waiting room floor.

Now I'm at ease deflating on a whim,
And I found peace on the waiting room floor,
and In my sleep, I heard a mating bird call.
