

The Dismemberment Plan

"Tonight We Mean It"

Visit "[Tonight We Mean It](#)" on MotoLyrics.com

Head to toe rayon, don't light a match
We were good and we're starting from scratch
Going to a place that never existed
And probably never will, yeah
Oh, a blue light basement on a throw-down
autono(mous) zone
Where we dim the lights and we're really not that
lonesome
Leave your context at home and leave your irony at the
door
Tonight we'll even the score
Well, tonight we mean it
When we dance
Well, tonight we mean it
When we cry
Well, tonight we mean it
When we laugh
Well, tonight, tonight yeah, yeah
I know everybody here would love to get down
And to wipe the slate clean new
And do what they want and say what they mean
And eliminate the, uh, existential quandaries of
modern, uh, postmodern
(bourgeoise) reality, ya dig?
No issues! No motives! No problems! No questions!
Just sexy people and purity of intention
Sounds so good, I can barely bring myself to mention
It's my sad, sad invention
Well, tonight we mean it
When we dance
Well, tonight we mean it
When we cry
Well, tonight we mean it
When we laugh
Tonight, tonight, tonight, tonight
I lost my invitation and I don't know where I'm going
I might just drive around and try to listen for something
weird
Yeah, you're welcome to come along.
Well, tonight we mean it, yeah!
When we dance

Well, tonight we mean it, oh
When we laugh
Well, tonight we mean it
When we cry
Tonight, tonight, tonight, tonight
