"Act Of Remembrance"

Arms of steel, hair of gold
Royal blue eyes with a rebel soul
You scared me, you still do
But I loved you more than you ever knew

This is my act of remembrance, ooh
My act of remembrance, ooh, ooh

The doctor's face said the time had come
I stood up and began to run
My boy's voice called your name
You roared back and the silence came

This is my act of remembrance, ooh
My act of remembrance, ooh, ooh

Drove my car to your street
Hoped a ghost I would meet
Well, that ghost, he's moved on, yeah
But his anger, Dad is it gone?
Is the pain gone, is it all gone?

This is my act of remembrance, ooh
My act of remembrance, ooh, ooh

This is my act of remembrance
Oh yeah, oh yeah
