Beautiful, beautiful, beautiful truth
Don't leave because I can't see you
Beautiful, beautiful, beautiful truth
Don't leave because I can't see you

Beautiful, beautiful, beautiful truth
Don't leave because I can't see you
Beautiful, beautiful, beautiful truth
Don't leave because I can't see you

You know the hours that I passed without you
Every heartbeat that I chose to flout you
And how I felt no shame

I know this problem is of my own making
I know you're giving here and I'm not taking
But please don't leave this place

Beautiful, beautiful, beautiful truth
Don't leave because I can't see you
Beautiful, beautiful, beautiful truth
Don't leave because I can't see you

Don't let me complicate what you made simple
By looking fancy or sounding boastful
Please bring me down

And now that I have said what's on my mind
And it is obvious that I am blind
Please, say you'll stay

Beautiful, beautiful, beautiful truth
Don't leave because I can't see you
Beautiful, beautiful, beautiful truth
Don't leave because I can't see you

Yeah
Yeah
Yeah

Spin me round
Bring me down

Be my sound
Don't you leave

Spin me round
Bring me down
Be my sound
Don't you leave

Spin me round
Bring me down
Be my sound
Don't leave

Spin me round
Bring me down
Be my sound
Don't leave

Spin me round
Bring me down
Be my sound
Don't leave
