Here he comes again,
On the radio,
Another misogynist,
Calling her a bitch,
Calling her a whore,
And then he'll use a big word,
Use a big word,
Some of the time,
Just to make it rhyme,
Just to make it rhyme.

Here it comes again,
Gotta keep it real,
Another hint of violence,
Suffocating joy,
Draining all our deals,
Another hint of violence,
Give me silence,
Some of the time,
Just to make it rhyme,
Just to make it rhyme.

So words are thrown to waste,
And women are debased,
For fun,
And as they start to sing,
I can't help wondering,
What we've become?

Oh, here it comes again,
On a new TV,
Another well-fed schoolboy,
Seeing he's a man,
But what kind of man,
Puts down women,
Puts down women,
All the time,
Just to make it rhyme,
Just to make it rhyme?

Here it comes again, [x4]
On the radio,

Calling her a bitch, [x2]
Calling her a whore. [x3]

Here it comes again, [x4]
On the radio,
Calling her a bitch, [x2]
Calling her a whore. [x3]

Here it comes again. [x10]
Radio/radios. [x16]
Here it comes again. [x2]
