If there's a God  
Where does He go to  
When disease and hunger  
Knock on the door?

And if there's a God  
How does He decide  
That she'll be born rich  
But he'll be born poor?

I don't know  
Can you tell me? Oh  
Can you tell me? Oh

If there's a God  
Why does He let  
People die slowly  
Wracked by pain?

And if there's a God  
Who blesses with children  
Why does He steal  
Some back again?

I don't know  
Can you tell me? Oh  
Can you tell me? Oh

If there's a God  
Why is He letting  
Violence and murder  
Be done in His name?

But if there's no God  
Why am I lying  
Here in the dark  
Saying his name?

I don't know  
Can you tell me? Oh  
Can you tell me? Oh

I don't know  
Can you tell me? Oh  
Can you tell me? Oh
