This is a story of our first teacher
Shetland made her jumpers
And the Devil made her features
Threw up her hands when my mum said our names
Embroidered all her stories with slanderous claims

But it's over and done with
It's over and done with
It's over and done with
It's over and done with

It's over and done with
It's over, it's over
It's over and done with
Baby here, let me hear ya

This is a story of losing my virginity
I held my breath and the fey held a trinity
People, I'm making no claims to no mystery
Sometimes it feel like my sex life's all history

It's over and done with
It's over and done with
It's over and done with
It's over and done with

It's over and done with
It's over, it's over
It's over and done with
Yeah, yeah

I'm not saying these events didn't
Touch our lives in any way
But, ah, they didn't make the impression
That some people say

This is a story of watching a man dying
The subject's unpopular but I don't feel like lying
When I think of it now, I acted like a sinner
I just washed my hands then I went for my dinner

Yeah

It's over and done with
It's over and done with
It's over and done with
It's over and done with

It's over and done with
It's over, it's over
It's over and done with
It's over and done with

It's over, it's over
It's over and done with
It's over, it's over
It's over and done with

It's over, it's over
It's over, it's over, it's over, yeah
Aah, oh, oh, wo
