Just tell me you're over me
How hard can it be?
Does it matter?

Don't say you can't sleep at night
Without me by your side
And you're shattered

I'm over it
You're over it
Let's call it a day
I'll burn the pictures we took together
And throw them away

(Chorus)
Cause I'm free free free
As the air I breathe
Yeah, i'm free free free as the open sea
yeah yeah yeah my baby was holding me back from my
dream
Now I can see that
I'm free free free as a girl can be

Don't say I'm still with you
Cause it isn't true
You're a liar

I'm calling all the shots
Cause i'm breaking out
You're so fired

I'm over it
You're over it
Let's call it a day
My friends all got my back
And i'm ready to play

Cause I'm free free free
As the air I breathe
Yeah, i'm free free free as the open sea
yeah yeah yeah my baby was holding me back from my

dream
Now I can see that
I'm free free free as a girl can be

No ring and no regret
It's been over for some time
Now when I feel like letting go
The universe is mine all mine

Cause I'm free free free
As the air I breathe
Yeah, i'm free free free as the open sea
yeah yeah yeah my baby was holding me back from my
dream
Now I can see that
I'm free free free as a girl can be
