When your dreams have disappeared  
From your world  
From your soul

Though the words are rarely heard  
In your heart  
You must know

The promise that I bare  
I'll be there

When the angels miss your sorrow  
(Ooh, every day)  
When the Gods don't hear your breath  
When the eyes dark of broken faith, tomorrow

I promise, I'll be there  
Ooh! Oh! Eh, ooh!  
(I'll be there...)  
Ooh! Oh! Eh, ooh!

When the spirits touch the sky  
In their eyes  
You are the same

I can see behind your smile  
I sense the loss  
I feel your pain

When your heart is in despair  
I'll be there  
When the angels miss your sorrow  
I'll be there  
When the Gods don't hear your breath  
When the eyes dark of broken faith, tomorrow

I promise, I'll be there  
Ooh! Oh! Ehh, ooh!  
Ooh! Oh! Ehh, ooh!  
I promise, I'll be there  
Ooh! Oh! Ehh, ooh!

Ooh! Oh! Ehh, ooh!

When the feeling chills your soul  
And it lasts  
And it hurts

When the shadows won't let go  
Just close your eyes  
Hear my words

The promise that I bare  
I'll be there

(I'll be there)  
When the angels miss your sorrow  
(I'll be there)  
When the Gods don't hear your breath  
When the eyes dark of broken faith, tomorrow

I promise, I'll be there  
Ooh! Oh! Ehh, ooh!  
Ooh! Oh! Ehh, ooh!  
I promise, I'll be there  
Ooh! Oh! Ehh, ooh!  
Ooh! Oh! Ehh, ooh!
