"Everybody Knows"

I told the stars above about the one I love
I told the morning sun, yeah I'm telling everyone
I told my mum and dad, they seemed to understand
And I'll get through to you if it's the last thing that I do

Everybody knows that I love you
Everybody knows that I need you
Everybody knows that I do except you

I told all of my friends again and again and again
I drove them round the bend so now you're my only
friend
I told the passers by, I made a small boy cry
And I'll get through to you if it's the last thing that I do

Everybody knows I live for you
Everybody knows I adore you
Everybody knows that it's true except you
