"It is a far far better thing that I do now than I have ever  
done before  
It is a far far better place that I go to than I have ever  
known before"  
My slap 'n' tickle made her giggle  
Made her wiggle like a willow tree  
So suggestively  
So I suggested  
She protested  
I persisted till she said "Well, okay..."  
And I said "Wey-hey!"

In or out-of one thing there can be no doubt  
Out or in-this is not a sin-it's not even original!  
And hey, we're all individuals-so let the games begin!

I fall in love with someone new practically every day but  
that's okay  
It's just the price I pay for being a man (if that's really  
what I am)  
And I refuse to take it all too seriously  
It's such a strange activity,  
Far too peculiar to be taken any other way  
Don't wait until tomorrow-do it today

In out in out in out in out in out in out in out

Shake it all about
