Give  
Me your love  
And I'll give you  
The perfect lovesong.  
With  
A divine  
Beatles bassline  
And a big old Beach Boys sound.

I'll match you pound for pound.  
Like heavy-weights in the final round,  
We'll hold on to each other  
So we don't fall down.

Well, give  
Me a wink  
And I'll give you  
What I think you're after.  
With  
Just one kiss  
I will whisk you away  
To where angels often tread.

We'll paint this planet red.  
We'll stumble back to our hotel bed  
And we'll make love to each other  
'Till we're half dead.

Maybe now  
You can see  
Just what you  
Mean to me.

Maybe now  
You can see  
Just what you  
Mean to me.

Give  
Me your love  
And I'll give you

The perfect lovesong.  
Give  
Me your word  
That you'll be true  
To me always come what may,

Forever and a day.  
No matter what other people may say  
We'll hold on to each other,  
'Till we're old and grey,  
'Till we're old and grey,  
'Till we're old and grey.
