Take me out tonight
Where there's music and there's people who are young
and alive
Driving in your car
I never never want to go home, because I haven't got
one anymore
Take me out tonight
Because I want to see people and I want to see lights
Driving in your car
Oh please don't drop me home, because it's not my
home
It's their home, and I'm welcome no more

And if a double-decker bus crashes into us
To die by your side is such a heavenly way to die
And if a ten tonne truck kills the both of us
To die by your side, well, the pleasure and the privilege
is mine

Take me out tonight
Oh take me anywhere, I don't care
And in a darkened underpass I thought Oh God, my
chance has come at last
(but then a strange fear gripped me and I just couldn't
ask)
Take me out tonight
Take me anywhere, I don't care
Just driving in your car
I never never want to go home, because I haven't got
one
I haven't got one...
