I've got a word of thanks
That I'd like to say
For the way that I feel
Today.
Got stacks, got stacks
Stacks of chips on my shoulder
In everything I do
Cuz I made, I made
I made the mistake
The mistake of trusting you

Yeah, people like you just fuel my fire
Yeah, people like you just fuel my fire
Yeah, people like you just fuel my fire
Yeah, people like you just do
You liar
You liar
You liaaaaar
You liaaaaar

Yeah, my layers are thick
And I've got bad attitude.
Yeah that knife in my back
Has fingerprints that belong to you.
Got a grudge, got a grudge
Got a grudge that I'm holding
For as long as I like
Cuz you lied, you lied
You lied to my face
And that's something that I can't forgive

Yeah, people like you just fuel my fire
Yeah, people like you just fuel my fire
Yeah, people like you just fuel my fire
People like you just burn
You liar
You liar
You liaaaaar
You liaaaaar

Yeah, people like you just fuel my fire

Yeah, people like you just fuel my fire
People like you just fuel my fire
Yeah, people like you just do
You liar
You liar
You liaaaaar
You liaaaaar
