You hear me [x3]

Up, up and away in my beautiful my beautiful

Up, up and away in my beautiful my beautiful balloon

[x2]

Now get out!

Gimme [x20]

Give me a ride!

Hot ride in my air balloon

Skippin fast right around the moon

On a bullet train out of town

Walking talkie, one hand down!

You hear me [x2]

Up, up and away in my beautiful, my beautiful

Up, up and away in my beautiful, my beautiful balloon

[x2]

I'll put you out!

Gimme [x20]

Give me a ride!

Gimme [x20]

Give me a ride!

Hot ride in my air balloon

Skippin fast right around the moon

On a bullet train out of town

Walkie talkie, one hand down

Hot ride in my air balloon

Skipping fast right around the moon

Minds made up, there's no luck when time leaves you

Hot ride in my air balloon

Skipping fast right around the moon

Times made up, there's no luck when time leaves you

You gotta...

PUSH IT!
PUSH IT!

You gotta...

PUSH IT!
PUSH IT!

You gotta...

PUSH IT!
PUSH IT!

You gotta...

PUSH IT!
PUSH IT!
