Doctor, where's your remedy?
I've got enough to pay the fee
Can't you see I'm awful sick?
I'll pay you well to do the trick

Doctor, doctor, doctor, doctor
Doctor, doctor, doctor, doctor
Doctor, doctor, doctor, doctor

Doctor, where's your magic box
There's no one here to count the cost
Name your price and make the sale
There's no one here to tell the tale

Doctor, doctor, doctor, doctor
Doctor, doctor, doctor, doctor
Doctor, doctor, doctor, doctor

Doctor, please don't lock your door
I've never troubled you before
Just a pinch to ease the pain
I'll never trouble you again

Doctor, doctor, doctor, doctor
Doctor, doctor, doctor, doctor
Doctor, doctor, doctor, doctor

Doctor, doctor, doctor, doctor
Doctor, doctor, doctor, doctor
Doctor, doctor, doctor, doctor
Doctor, doctor, doctor, doctor

Just a pinch to ease the pain
I'll never trouble you again
Just a pinch to ease the pain
I'll never trouble you again

Just a pinch to ease the pain
I'll never trouble you again
Just a pinch to ease the pain
I'll never trouble you again
