Visit "[Strangers in Space](#)" on MotoLyrics.com

Strangers in space
Passing through time
Travellers in haste
Partners in crime
Trace of a feeling
Trace of regret
Hard to remember
Hard to forget
Something uncovered
Something unsaid
Strangely repeated
Long ago dead
Hard to remember
Hard to forget

Strangers in space
Travellers in time
Passing in haste
Partners in crime
Trace of a feeling
Trace of regret
Hard to remember
Hard to forget
Fruits of discovery
Some distant form
Something repeated
Something reborn
Trace of a feeling
Trace of regret
Hard to remember
Hard to forget
