There was trouble in the air  
Just a subtle hint of danger  
And a woman dressed in black  
Out lookin' for a stranger

She took me to her room  
Where she offered me a wager  
She promised me the moon  
So I took a chance

Yes, I played the King of Hearts  
Put my cards out on the table  
I thought the odds were in my favor  
But she laid the Ace of Spades  
An' I wound up where I started  
The King of Hearts no more  
But the King of the Broken-hearted

She cut the deck once more  
By the light of thirteen candles  
She said, "The winner takes it all  
Is that too much for you to handle?"

So I wandered through my playing cards  
And tried to understand her  
I was lookin' for a face  
It was right there in my hand

Yes, I played the King of Hearts  
Put my cards out on the table  
I thought the odds were in my favor  
But she laid the Ace of Spades  
An' I wound up where I started  
The King of Hearts no more  
But the King of the Broken-hearted

I played the King of Hearts  
Put my cards out on the table  
I thought the odds were in my favor  
But she laid the Ace of Spades  
An' I wound up where I started  
The King of Hearts no more

But the King of the Broken-hearted
