Picture, rush..story, hush  
Picture, rush...story, hush  
Got the picture...got the rush  
Got the story...got the hush  
Got the joker...got the flush  
Got the choker...got the crush  
Picture story, go the wrong side of the bed  
Got the wrong slice of the spread  
Got the thin end of the wedge  
Took the wrong bend on the edge  
Picture, screen...movie, dream  
Picture, screen...movie, dream  
Got the picture...got the screen  
Got the movie...got the dream  
Got the make up...got the seam  
Got the wake up...got the screen  
Picture story, go the wrong side of the bed  
Got the wrong slice of the spread  
Got the thin end of the wedge  
Took the wrong bend on the edge
