We were young, we were brave
We were true, we were strong
Far away the bombs an' the buildings explodin'
There was no way out

It was black, it was white
We had so much to say
Right or wrong
The truth won't fade away

We had our hopes, we had our dreams
Yes, we were young, we were old
We saw our future self-destructing
There were roles that we played

Now some were good, some were bad
There was so much to say
Right or wrong
The truth won't fade away

Some were good, some were bad
There was so much to say
Right or wrong
The truth won't fade away

We were young, we were brave
We were true, we were strong
Far away the bombs an' the buildings explodin'
There was no way out

It was black, it was white
We had so much to say
Right or wrong
The truth won't fade away

It was black, it was white
We had so much to say
Right or wrong
The truth won't fade away

Fade away
Fade away

Truth won't fade away

Fade away
Right or wrong
Truth won't fade away

Fade away
Truth won't fade away
