Let me show you love that will last
La dah da di da dum dah tah dah
A magic hymn to will keep the wind in your mast
La dah da di da dum dah tah dah
Let go fear, and let go fate
Then my dear, these words you state

Let's make a deal
To not make a deal
La dah da di da dum dah tah dah
For all the ways that we can
All the ways that we can
All the ways that we can love
Let's make a deal
To not make a deal

Let me show you love that will last
La dah da di da dum dah tah dah

Drop your fears like little turds
Then my dear the magic words

Let's make a deal
To not make a deal
La dah da di da dum dah tah dah
For all the ways that we can
All the ways that we can
All the ways that we can love

La dah da di da dum dah tah dah
La dah da di da dum dah tah dah
La dah da di da dum dah tah dah
La dah da di da dum dah tah dah
La dah da di da dum dah tah dah

Let me show you love that will last

La dah da di da dum dah tah dah
La dah da di da dum dah tah dah
La dah da di da dum dah tah dah
La dah da di da dum dah tah dah
