uh huh

I've got the new style, uh huh
And I'm walking right down your street
I'm on your speed dial, you know
The one everyone wants to meet

I always tell you how cool you dress
It's cause I'm fashionably socialized
You're smarter, better, no, the best
Just look at me

I'm a leader, I'm a winner, And I'm cleaner
Cause I'm awesome
I don't need you cause I'm neato and I beat you
Cause I'm awesome
That's right

They say I'm gifted, uh huh
Well I'm a certified prodigy
I'm gonna own you, uh huh
I'm gonna bring you to your knees

I always tell you how smart you are
It's cause my brain is really supersized
You're an academic superstar
Just look at me

I'm a leader, I'm a winner, And I'm cleaner
Cause I'm awesome
I don't need you cause I'm neato and I beat you
Cause I'm awesome
That's right

Got a career plan, uh huh
Gonna make lots of money
And bought a self tan, uh huh
Don't I look healthy?

I always tell you how great you smell
It's cause I'm naturally deodorized

You're stronger, faster and can spell
Just look at me

I'm a leader, I'm a winner, And I'm cleaner
Cause I'm awesome
I don't need you cause I'm neato and I beat you
Cause I'm awesome
That's right [x2]

Rah rah rah rah rah rah!
Rah rah rah rah rah rah!
Rah rah rah rah rah rah!
I don't need you
Cause I'm Awesome

Uh huh
